Seldom has anyone touched the lives of so many people in such a positive manner as Dr. Michael Culbert. The parents, fellow workers and, most of all, your students will miss your caring leadership and concern. Although a mere "Thank You" will never be sufficient, nothing else seems right.

Your students, friends and all who have worked with you these many years wish for you and Esther a long and happy retirement filled with many new and exciting roads to travel. All the best and thank you for always being there whenever and however you were needed.
